Subject: TNAML lighting fixtures

Dear Mr. Geluk,

We have been using the TNAML lighting fixtures for multiple years now on several of our installations on the North Sea. Up to now we have never had any problems with failures or whatsoever and are very happy with the various versions we are using.

The quality of the material of the TNAML is not showing any degradation even after the 5 years they have been installed offshore.

When we have the opportunity we will work together with TechNed Benelux again.

Best regards,

Gert-Jan Kazimier
Maintenance Supervisor E/I
